Environmental Health & Safety Policy

At Central Conveyor Belting Services Ltd (CCBS Ltd), we are committed to conducting our operations in a manner that protects the health and safety of our employees, customers, and communities, while minimizing our environmental impact.

We recognise that environmental sustainability, climate change, and workplace safety are fundamental to our long-term success. Our commitment to Environmental, Health and Safety (EHS) principles is embedded in our day-to-day operations and business strategy.

We believe that success is measured not only by financial performance but also by our contributions to the well-being of our people, the quality of our environment, and our corporate citizenship.

To achieve our goal of a zero-incident culture and meet our environmental objectives, CCBS Ltd pledges to:

Our Employees

- Foster a safe and healthy work environment by identifying and mitigating risks to prevent accidents and injuries.
- Reduce our environmental footprint by implementing resource-efficient practices, and promoting reuse and recycling wherever possible.
- Provide ongoing training to ensure all employees understand and comply with this policy and our EHS programs and standards.

Our Customers

- Partner with customers to deliver products and services that support or exceed their own EHS goals.
- Innovate to continuously enhance the environmental performance and sustainability of our products and services.

Our Communities

- Engage with local communities regarding environmental, health, and safety concerns related to our operations.

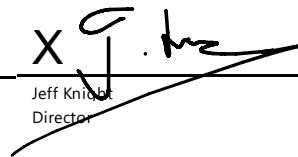

Central Conveyor Belting Services Ltd

- Transparently communicate our EHS policy to employees, business partners, customers, and the public.

We are dedicated to continuous improvement in all aspects of EHS and will regularly review our practices and performance to ensure alignment with industry standards and stakeholder expectations.
